TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Francestown in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Francestown on Tuesday, the 12th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to adopt the budget as submitted by the Selectmen, or make any alterations in the same and raise and appropriate a sufficient sum of money to finance the same as finally adopted.
3. To see if the Town will vote to raise and appropriate the sum of two hundred (\$200.00) dollars, to be placed in the capital reserve fund for future fire truck replacement, or take any action relating thereto.
4. To see if the Town will vote to raise and appropriate the sum of one thousand five hundred (\$1,500.00) dollars, to be placed in the capital reserve fund for Town buildings, or take any action relating thereto.
5. To see if the Town will vote to instruct the Selectmen to reserve from all available Summer Highway Funds, not less than one thousand five hundred (\$1,500.00) dollars for road maintenance after September 1, inasmuch as they are responsible for the expenditure of money and the discharge of duties of the Highway Agent under the Rev. Laws of the State of New Hampshire, Chap. 96, Sec. 9.
6. To see if the Town will vote to replace the Zoning Ordinance as passed and amended by the Town to the year 1956, with the Ordinance as recommended by the Town Advisory Committee, or take any action relating thereto.
7. To see if the Town will vote to accept ownership of Fire and related Equipment now in possession of the Volunteer Fire Company, or take any action relating thereto.
8. To see if the Town will vote to raise and appropriate the sum of two hundred fifty (\$250.00) dollars to re-shingle the roof of the Town Library, or take any action relating thereto.

9. To see if the Town will vote to authorize the Moderator to appoint a Committee of three (3) to make a study of the type of building needed to house the Fire Trucks and Town Equipment; to raise and appropriate the sum of five hundred (\$500.) dollars to cover the costs of estimates and preliminary building plans to be submitted with a complete report at the next Town Meeting, or take any action relating thereto.

10. To see if the Town will vote to raise and appropriate the sum of one thousand (\$1,000.00) dollars to be placed in a capital reserve fund for the purpose of establishing a new cemetery, or take any action relating thereto.

11. To see if the Town will vote to accept from the Alison Bixby Hill Estate the property adjoining the Town Library, or take any action relating thereto.

12. To see if the Town will vote to authorize the Selectmen to borrow a sufficient sum of money to pay current expenses in anticipation of taxes, or take any action relating thereto.

13. To see if the Town will vote to have the State of New Hampshire Municipal Auditing Division audit the Town books, or take any action relating thereto.

14. To hear the reports of Agents, Auditors, and Committees heretofore chosen and take action on same.

15. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 15th day of February, in the year of our Lord nineteen hundred and fifty-seven.

CHARLES W. ABBOTT
FREDERICK H. THOMPSON
GEORGE E. KUNHARDT, JR.
Selectmen of Francestown

FIRE DEPARTMENT REPORT

January 1, 1957

Board of Selectmen
Franeestown, N. H.

The Fire Wards hereby submit their financial and physical report for 1956 together with the estimated budget for 1957.

As in 1955 by the practice of rigid economy we were once again able to close the year with an unexpended balance. Additional hose was purchased over the amount carried by the special hose appropriation so that no special appropriation for that purpose will be needed this year.

The "Red Phone" system was installed during the Spring and has proved to be very satisfactory, also the Two Way Radio was installed last summer. Each of the "Tankers" carries a mobile unit and there is a base unit in the Fire Station. While we have had very little need of its use, the few times it has been operated has proved that the choice was a wise one.

A street siren was mounted on the utility pole opposite Walter Creighton's residence and the "dead spot" has been eliminated, resulting in more men at fires.

In 1955 the fire loss in structures was \$75.00 and in 1956 there was no loss. After giving due credit to Luck-Efficiency of the men and apparatus, we feel that the care exercised by the inhabitants in not giving fire "A Place to Start" was a major contributing factor to this amazing record.

The Volunteer Fire Company has made generous use of their funds toward the needs of the Department and contributed to the purchase of the radios and other material.

The budget for 1957 shows some minor changes in one or two items but is quite similar to 1956-less the expended 1956 balance-and is approximately 35% below that of the 1956 budget.

ANNUAL REPORT OF THE VILLAGE IMPROVEMENT SOCIETY

On July seventh the Francestown Village Improvement Society invited the citizens of Francestown and representatives from neighboring Historical Societies to an open House in our newly decorated Historical Rooms in the Bixby Memorial Library and to tea in The Old Meeting House.

Mrs. Arnold Bailey and her committee were responsible for the decorating of the rooms and for the interesting arrangement of antiques pertaining to the early history of Francestown. The hostesses for the day were dressed in colonial costumes while children and other adults in costume rode in old carriages and on bicycles to add to the historic atmosphere. Many of the visitors and hostesses were members of the early families of Francestown.

The proceeds from the Labor Day celebration were used for the maintenance of Veterans' Field, to spray the elm and maple trees on town property, to provide a lighted Christmas tree for the common, to help finance the Community Christmas party, to provide extra funds for the library, to maintain the float on Scobie Pond and for the upkeep of the Historical Rooms.

The society won a prize from the New Hampshire Roadside Improvement Association for the grading and planting in front of the Town Hall.

Through the year we strove as always to stimulate interest in the care and beautification of our Village, conscious of our rich heritage of charming houses, stately Town Hall and beautiful Old Meeting House.

American Home, Better Homes and Gardens, Good House-keeping, Ladies' Home Journal, Boys' Life, American Girl, Readers' Digest, Popular Science, Popular Mechanics, Saturday Evening Post, Life, Time, National Geographic, Yankee,

Antiques, Horn Book, Audubon Magazine, McCall's, Natural History, Children's Activities, Wee Wisdom, N. H. Profiles.

Gift subscription: Our Dumb Animals, from Mrs. Packer.

Other books and magazines have been given by the following persons: Mrs. Catherine Park, Mrs. Harold Case, Mrs. Lucy Holt Andolina, Richard and Genevieve Millar, the Rand Estate, Miss Ruth Shattuck, Miss Bernice Woodcock, Mrs. Edward Steffian, Mrs. Bradshaw Langmaid, Prof. E. B. Hill, Alfred Gray, Mrs. Royal Cleaves and Brad, Nancy Bowman, Mrs. David Howell, Stephanie Creighton, Norman Stewart, W. A. Lord, Oscar Starrett, Mrs. Susan Wason, and Debby Stewart.

From the State Library we borrowed 228 books, and from the Bookmobile 353. Several boxes of books are being exchanged with the Greenfield Library.

We had our usual gift of \$20 for reference books from an anonymous summer resident. Another book for this collection was bought with a gift from Mrs. Robert Williams combined with a similar gift from a New Jersey visitor, Mrs. Herbert Philpott (a descendant of one of the earliest Downes families.) Mrs. Case and Mrs. Howell each gave \$15 for books, and a Christmas gift of \$5 came from Mr. and Mrs. Francis Park of Cambridge. Donn Purvis (a former researcher in the Library of Congress) and his wife, now of Penacook, also helped Santa Claus by subscribing to United Nations Review for us. The Improvement Society augmented the Doll Fund (which consists of the money from the sale of the doll, provided by Prof. Hill and family on Carnival Day) to \$75; and as usual the society has paid the Public Service bill throughout the year.

We are indebted also to the Improvement Society for completing the restoration of the Historical Rooms which are in charge of Mrs. Arnold Bailey. The rooms are not only beautiful but have inspired many local persons to add to the historical exhibits. Norman Muzzey has delighted all visitors by his successful lighting of the doll house, with no charge for the service.

The Rand families, in addition to many fine books, gave us also a much-needed bookcase. A framed copy of a famous painting by Renoir was given by Miss Alice Hall for the Children's Room. Mrs. James Matthews gave some of the books that were once owned by Mary Willard, the town's first librarian. The inside and outside keys of the old library building, now Masonic Hall, were given by Leon Hoyt. The Millar family gave many books and articles for the Historical Rooms, these things being of special interest to descendants of Pacific Clark. Mrs. Philip Place brought memorials of her late husband, relating especially to World War I. Our historical collections, if not complete are at least a continuous record of the town's history, from the simplest handmade contraptions through our latest war.

Craft meetings have been held in the Mary Willard Room; and on July 7 the entire building held Open House as a part of the observance of Historical Day, in charge of the Historical Society (a branch of the Improvement Society), with Mrs. Granville Evans and Mrs. Bailey and a large corps of assistants planning the events. More than 150 visitors signed the register that day. Between April and December, more than 160 other guests were registered.

In February the Librarian attended the Conference on World Affairs at Durham, taking part in a panel discussion concerning the part that libraries can play in world affairs. Our own library has continuously tried to encourage an interest in all parts of the world, not only through exhibits and books, but by inviting here natives of other countries, consequently our work here is known literally, in spots at least, throughout the world, but we need even more to understand the conditions and personalities of other kinds of people. We are living in the most important and the most exciting period of the world's history, and we are in a better position than we have ever been before to make the future what we want it to be.

At the Neighborhood Library meetings in New Ipswich in May many problems were discussed and we all benefited by the new books reviewed. Some of us are also trying to find time to exchange some of our less-than-new books. Visits have been exchanged with librarians in Antrim, Mason, Greenfield, Goffstown, and Henniker whereby we built up one another's courage and received inspiration. We feel that our communities are waking up to their intellectual and cultural needs.

As a delegate to the Governor's Conference on Aging at Concord in November this Librarian again found much enthusiasm for what our own community can do. For years we have delivered books to shut-ins, some of whom are doing very important reading, in spite of "years." But what kind of old age people have depends largely on what kind of childhood they have so that our basic services through church, school, and library should be vastly expanded.

The Everbrook Audubon Club, presided over by Gene Clark, provided an unusual and very interesting exhibit of wood products, and Mrs. Alfred Bridgens of Arlington displayed some of the beautiful pieces of ceramics which she had made. The Black family shared with us many of their European treasures of dolls, puppets, carvings, etc. William Childs, teacher of art in the Milford and Amherst schools, has lent us some fascinating paintings, murals and three-dimensional pieces, including dinosaurs and a giraffe, made by the children in his classes.

A request for information last winter revealed the fact that we had in town a very rare visitor, discovered by Evelyn Vadney and later raised by Debby Stewart until his untimely end—a

Brown Thrasher. This is the first known record for this bird in this state during winter months.

School Superintendent Newell J. Paire joined the children at the library one afternoon to take pictures of a library "in action"; only a moving picture camera would be successful. This event was especially in the interest of the course in children's literature which Miss Hazel Clement was taking and for which the library contributed a good deal of special material.

This year Margaret Varnum is the very efficient paid assistant from the eighth grade.

Respectfully submitted,

CAROLINE M. LORD
Librarian

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 10, 1957

Board of Selectmen

Francestown, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Francestown for the fiscal year ended December 31, 1956, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library Treasurer, Fire Department and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets—Dec. 31, 1955-Dec. 31, 1956:
(Exhibit A-1)

Comparative Balance Sheets as of Dec. 31, 1955 and Dec. 31, 1956, are presented in Exhibit A-1. As indicated therein, the Surplus decreased by \$1,527.07 during 1956.

Analysis of Change in Financial Condition: (Exhibit A-2)*

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decreases in Surplus:

Long Term Notes Issued	\$1,000 00	
Net Budget Deficit	2,311 74	
Tax Liens Transferred to Tax Deeds	45 33	
	<hr/>	\$3,357 07

Increase in Surplus:

Long Term Notes Paid	\$1,830 00
Net Decrease	<hr/> \$1,527 07

*See Page 15

Comparative Statements of Appropriations and Expenditures-Estimated and Actual Revenues:

(Exhibits A-3* & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1956, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of \$2,666.35, less a revenue surplus of \$354.61, resulted in a net budget deficit of \$2,311.74. (*See Pages 12, 13)

Summary of Receipts and Expenditures: (Exhibit B-1)*

A summary of receipts and expenditures for the fiscal year ended December 31, 1956, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1956, is indicated in Exhibit B-2. (*See Page 25)

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source in so far as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Frances-town for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER

Director

Division of Municipal Accounting
State Tax Commission

NORVAL D. LESSELS, Auditor

HUGH J. CASSIDY, Accountant

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Francetown for the fiscal year ended December 31, 1956. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town on December 31, 1956, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director

Division of Municipal Accounting
State Tax Commission

NORVAL D. LESSELS, Auditor

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

**To the Inhabitants of the School district in the town of
Francestown qualified to vote in district affairs:**

You are hereby notified to meet at the Town Hall in said district on the 8th day of March 1957, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to raise and appropriate the sum of \$3,750 for the purpose of establishing and equipping an additional room in the basement of the public school or take any action relating thereto.

10. To see if the district will vote to raise and appropriate the sum of \$3,750 for the purpose of establishing and equipping an additional room in the basement of the public school and to authorize the School Board to issue serial notes in the name of and on the credit of the district, for said sum in accordance with the provisions of Chap. 33, of the N. H. Revised Statutes Annotated, 1955 and any revisions and amendments relating thereto, subject to any state or federal grants available now or in the future and applicable to this Article; the School Board to issue or negotiate such notes, and to determine the rate of interest therein and the time and place of payment thereof, as shall be in the best interests of the Francestown School District, provided however that such notes or bonds shall be issued for a period not exceeding five years, or take any action relating thereto.

11. To see if the district will raise and appropriate the sum of \$115 for the purpose of paying off the first year's interest or take any action relating thereto.

12. To see if the district will vote to raise and appropriate an additional \$2,100 for the purpose of paying the salary and the district's share of the teacher retirement of a full time teacher or take any action relating thereto.

13. To see if the district will vote to raise and appropriate the sum of \$265 for the purpose of paying for the additional operating and maintenance costs of the additional room or take any action relating thereto.

14. To see if the District will vote to use a check list at all future annual and special school district meetings, according to the provisions of Chapter 197, Section 12 of the New Hampshire Revised Laws annotated and any revisions or amendments pertaining thereto, or take any action relating thereto.

Given under our hands at said Francestown this first day of February, 1957.

DETAILED STATEMENT OF DISBURSEMENTS

ADMINISTRATION:

1. Salaries of District Officers:

Eleanor G. Cutter	\$5 00	
Arnold B. Bailey	29 40	
Shirley L. Jones	29 40	
C. Gladys St. John	46 80	
Elizabeth Jones	26 46	
Treasurer, State of N. H.	2 94	
		\$140 00

2. Supt.'s Salary (local share):

Supervisory Union No. 63	\$503 72
--------------------------	----------

3. Tax for State Wide Supervision:

Treasurer, State of N. H.	\$180 00
---------------------------	----------

4. Salaries of Other Adm. Personnel:

Supervisory Union No. 63	\$203 84	
C. Gladys St. John	12 00	
		\$215 84

5. Supplies and Expenses:

Supervisory Union No. 63	\$200 44	
Elizabeth Jones	9 15	
C. Gladys St. John	6 71	
		\$216 30

INSTRUCTION:

6. Teachers' Salaries:

Neil Howard	\$2,739 25	
Hazel Clement	2,556 62	
Ethelyn Edwards	341 85	
Nina M. Abbott	8 00	
Barbara Putnam	16 00	
Supervisory Union No. 63	49 00	
Director of Internal Revenue	477 00	
N. H. Teachers' Retirement System	709 90	
		\$6,897 62

7. Books and Other Instructional Aids:

Scott, Foresman and Co.	\$73 93	
The Art Centre	5 83	
Noble & Noble, Publishers	4 19	
University of N. H.	60 00	
The Macmillan Co.	7 03

REPORT OF SCHOOL DISTRICT TREASURER

Fiscal Year July 1, 1955 to June 30, 1956

Cash on Hand July 1, 1955		\$747 67
Received from Selectmen:		
Current Appropriation	\$22,476 52	
Received from State Treasurer:		
Federal Funds	419 51	
Received from Tuitions	700 00	
Received from all other sources	332 22	
Total Receipts		<hr/> \$23,928 25
Total Amount Available for Fiscal Year		<hr/> \$24,675 92
Less School Board Orders Paid		24,096 60
Balance on hand June 30, 1956		<hr/> \$579 38

	ELIZABETH H. JONES
June 30, 1956	District Treasurer

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Francestown, of which the above is a true summary for the fiscal year ending June 30, 1956 and find them correct in all respects.

	ELEANOR G. CUTTER
July 1, 1956	Auditor

SCHEDULE OF INDEBTEDNESS

Notes and Bonds Outstanding as of June 30, 1956	\$1,500 00
Principal & Interest due Sept. 1956	\$526 25
Interest due March 1957	17 50
Principal and Interest due Sept. 1957	517 50
Interest due March 1958	8 75
Principal & Interest due Sept. 1958	508 75

REPORT OF SCHOOL LUNCH PROGRAM

The summary below covers the receipts, expenditures, and balances of the School Lunch Program at Francestown for the fiscal year 1955-56:

Cash on Hand July 1, 1955	\$97 97
---------------------------	---------

Receipts:

Lunch Sales, Children	\$1,621 32	
Lunch Sales, Adults	80 87	
	<hr/>	\$1,702 19
Receipt of Reimbursements		334 23
Miscellaneous Cash Contributions		124 64
		<hr/>
Total Receipts		\$2,161 06
		<hr/>
Total Cash Available		\$2,259 03

Expenditures:

Food	\$1,312 82	
Labor	847 68	
All Other	42 82	
	<hr/>	
Total Expenditures		\$2,203 32
		<hr/>
Actual Cash Balance as of June 30, 1956		\$55 71

I hereby certify that the above information is true and correct that the cash balance has been determined by actual count and/or verification of the check book balance; and that invoices and other pertinent records as required are on file to substantiate the School Lunch Program transactions.

Respectfully submitted,

C. GLADYS ST. JOHN
Manager

SUPERINTENDENT'S REPORT

TO THE SCHOOL BOARD AND CITIZENS OF FRANCESTOWN:

I respectfully submit my tenth annual report as your Superintendent of Schools.

STAFF AND INSTRUCTION

The Francestown Public School opened this fall with the following staff. Mr. Neil Howard, Principal and teacher of grades 5 through 8; Miss Hazel Clement, teacher of grades 1 through 4; Mrs. Martha Colburn, teacher of grades 1 and 2 from 9:00 to 12:00 A. M. Miss Ethelyn G. Edwards, music teacher and supervisor; Miss Sybil M. Beatham, school nurse; Dr. Louis Wiederhold, school doctor; Mrs. C. Gladys St. John, school lunch manager.

Mrs. Colburn, was added to the staff this year as a part-time teacher to assist Miss Clement with grades 1 through 4, but working specifically with grades 1 and 2. This has worked out exceptionally well and all of the good results that were anticipated are being and have been accomplished. Mrs. Colburn devotes her complete time from 9:00 to 12:00 to grades 1 and 2, concentrating on the fundamentals. This relieves Miss Clement, so that she can concentrate on the same areas with grade 3 and 4. In the afternoon Miss Clement has all four grades and confines her efforts largely to the general educational development of all four grades. More specifically this consists of work in Social Studies, Language Arts, Science, Handwork and Penmanship practice.

The greater part of my report this year will confine itself to a discussion of the need, and the general educational advantage, that would be obtained by developing a classroom in a portion of the basement, and adding a full-time teacher.

There are several factors that influenced the School Board to seriously consider this move this year. First and foremost is the extreme difficulty that one experiences in employing and retaining qualified and competent teachers in schools having multiple grades. The teaching situation is so critical in the elementary schools of the state and the nation, that a teacher can select the type of position which he or she desires to hold and in most cases their interests are in single graded schools. Consequently, we should look seriously at the possibility of reducing the number of grades per teacher. Secondly, the educational program offered in the elementary school today is so comprehensive that a teacher finds it exceedingly difficult to spread his or her talents over four grades, during the normal school day. Those pupils who need more of the teacher's attention than others, invariably get lost along the way, despite the efforts of the teacher to prevent this. Thirdly, the enrollment in the first four grades

will increase to the point that in 1957-58, it is anticipated that the primary room will have an enrollment of 41 pupils; 1958-59, 42 pupils; 1959-60, 41 pupils; 1960-61, 41 pupils; 1961-62, 41 pupils; 1962-63, 35 pupils and the upper grade room will have 41 pupils. These figures are based on the premise that Frances-town will continue to take the North Lyndeboro pupils as tuitions. If the Lyndeboro pupils are excluded, the primary room will be faced with enrollments of 34 in 1957-58; 37 in '58-59; 37 in '59-60; and 39 in '60-61, with a possible, but improbable drop to 34 in '61-62. Consequently, it would appear that something will have to be done about providing additional space, if an effective educational program is to be operative in grade 1-4, regardless of whether or not the Lyndeboro pupils are accepted.

While physically, our two classrooms can house approximately 35 pupils, educationally, with four grades to a room, the number should not exceed 25. Enrollments in the various grades do not always permit an even distribution of pupils in the rooms. At no time, in the near future, can we visualize a building enrollment of as few as 50 pupils, with or without tuition pupils.

The additional full-time teacher could permit an organizational set-up of no more than three grades to two teachers and two grades to one. The enrollment of the individual grades, plus the competence of the pupils, would dictate the assignment of grades to a room. Generally speaking, it is advisable to have the smaller number of pupils to a room in the lower grades, where the basic skill subjects compose the greatest part of the educational program. As the pupils attain more mature study habits and independence, larger numbers can more adequately be handled in the upper grades.

The foregoing is an attempt to describe the thinking that has transpired to date. The next questions to be considered might well be, what will the program outlined above cost? Is it advantageous for the Frances-town School District to embark upon such a program from a financial point of view? Could we send our 7th and 8th grade pupils out of town on a tuition basis any more cheaply?

COST OF ADDITIONAL ROOM IN BASEMENT

Recent estimates of the work required and the costs involved in making over the north section of the basement room into an approved classroom, would consist of an expenditure of approximately \$3750. This figure includes the equipment necessary to completely outfit the additional space. The Warrant permits the voters to raise this money by two methods. Article 9, provides an opportunity for the voters to raise it all out of this year's tax assessment. Article 10, permits the voters to raise it by issuing serial notes, to be paid off over a period not exceeding 5 years. It should be taken into consideration that if the

money is amortized over a period of time, the district will be eligible for a 20% return on the annual principal payment each year for the duration of the notes, from the State Building Aid Fund.

Operating and maintenance costs relating to the additional room would be \$265. The voters have been given an opportunity to act on this under Article 13.

Additional teacher's salary, including the district's share of the teacher retirement program, is estimated at \$2100. This will be voted on under Article 12.

The total cost of the program outlined above will be \$6,115 if all items are voted to come out of the 1957 tax assessment. An income of \$1,295 can be realized from tuition payments, making the net total \$4,820.

If the \$3750 is amortized over a period of five years, the breakdown of the costs would be as follows for 1957-58:

Interest on Note at 3%	\$112 50
Teacher's Salary, including retirement	2,100 00
Operating costs first year	265 00
	<hr/>
	\$2,477 50
Receipts from Lyndeboro tuitions	1,295 00
	<hr/>
Total Net Cost	\$1,182 50

If the money is borrowed in July 1957, the first principal payment would come due in July 1958. Thus the reason for not including it in the figures outlined above. It is assumed that the principal payment would be \$750 per year. One should also note that the last payment of \$500 on the original school building will be made in September 1958. In succeeding years, the net cost to the district will be only \$250 per year more than it has been paying for the past 18 years. Also one should take into consideration that Francestown would receive \$150 per year from State Building Aid Funds, this aid more than erasing the cost of the interest. The estimated cost of the additional room projected over several years is as follows. These costs include teacher's salary, capital outlay and cost of operation for the duration of the notes:

1958-59	\$4,415
1959-60	4,615
1960-61	4,815
1961-62	5,015
*1962-63	5,215
1963-64	4,665

*Principal payment eliminated in July 1962.

These costs have not taken into consideration the fact that the return from the State Building Aid Fund will reduce the figures slightly.

COST OF TUITION PUPILS

In the past several years comments have been made that the tuition pupils from North Lyndeboro should be eliminated because of the cost to the Francestown School District. If we take a careful look at this situation, do the facts bear out the statements? In 1955-56, the average per pupil cost, for tuition purposes in Francestown, was \$188.70. Consequently, the School Board has set the tuition at \$185 per pupil.

The following deductions are based upon the School Board's estimated budget for 1957-58. There are essentially only two items that are affected by tuition pupils from North Lyndeboro. These are Books and Other Instructional Aids, which cost the district 40¢ per pupil per month and Scholars' Supplies which cost the district 67¢ per pupil per month. These costs projected for seven pupils over a ten months period, indicates that the total cost of educating these seven pupils per year is \$74.90. All other expenses of instruction, transportation, administration and operation, would be essentially the same whether or not Francestown accepted these pupils. Therefore the apparent net profit on these pupils for 1957-58 would be \$1,220.10.

Therefore it should not be construed that the Lyndeboro tuition pupils are responsible for the desire to have the additional classroom space.

The program should be viewed as one that would provide an opportunity for raising the educational level of all pupils in all grades, because of reduced numbers in each room, particularly in the primary and intermediate rooms, and the reduced number of grades per teacher. Such an organization would make it easier to obtain replacement teachers, if and when, this becomes necessary. Such an organization would provide more adequate supervision at all times because the responsibilities and duties can be allocated to three teachers rather than two.

COST OF SENDING GRADES 7 AND 8 OUT OF TOWN ON TUITION BASIS

The cost of sending our 7th and 8th grade pupils to Peterborough on a tuition basis would be approximately as follows:

		Transportation	Total
1957-58—12 at \$231	\$2,772	\$2,700	\$5,472
1958-59—11 at \$231	2,541	2,700	5,241
1959-60—14 at \$231	3,234	2,700	5,934
1960-61—16 at \$231	3,696	2,700	6,396

The above estimates are based upon the premise that the tuition rate of \$231 per pupil will remain the same, which it probably will not. The past few years has shown an increase of approximately \$5.00 per pupil in grades 1-8. The above estimates on transportation are based upon 50 miles of travel per day from the Francestown Public School to the Peterborough

School at an estimated cost of 30¢ per mile. This figure might be reduced some if the high school pupils were combined with the 7th and 8th grade pupils. No consideration has been given to the cost of transporting the 7th and 8th grade pupils from their homes to the Francestown School early enough in the morning to catch the bus for Peterborough. We could conceivably be duplicating our town routes to provide this service.

Eliminating the 7th and 8th grade pupils from our building would still leave us with unwieldy room sizes in the first three grades, inasmuch as the grade assignments for the next three years would be as follows:

Year	Grade				Grade				Bldg. Total
	1	2	3	Total	4	5	6	Total	
1957-58	14	8	9	31	10	8	6	24	55
1958-59	11	14	8	33	9	10	8	27	60
1959-60	8	11	14	33	8	9	10	27	60
1960-61	8	8	11	27	14	8	9	31	58
1961-62	8	8	8	24	11	14	8	33	57

A recapitulation of the costs may be compared by a study of the following tables:

ADDITIONAL ROOM		TUITION TO PETERBOROUGH	
1957-58	\$3,779		\$5,472
1958-59	4,415		5,241
1959-60	4,615		5,934
1960-61	4,815		6,396
1961-62	5,015		6,396
*1962-63	5,215		6,396
1963-64	4,665		6,396

These estimated costs have not taken into consideration any receipts from Lyndeboro tuitions. These receipts would range from \$1,295 to \$1,480.

BUILDING AND GROUNDS

This past year the exterior of the building was painted one coat, the classroom floors were bleached and sealed, the basement area floor was repainted and an extensive job of re-grading the play area was accomplished. To date it appears as though our playground drainage problem has been solved. However, the spring rains will be the test as to whether or not we have adequate drainage on the playground.

For several years we have proposed the installation of a fence between the lower playground area and the adjacent property. We still feel that this is desirable. The longer this program is delayed, the more costly the project becomes. When it was mentioned in 1954 the cost of the installation was \$1.45 per foot. This fall it was \$2.00 per foot. It would seem that serious consideration should be given to this project at this annual

district meeting. The area to be fenced requires 197 feet of 4' chain link fence at an estimated cost of \$394.

No major improvements in the plant or the grounds is being proposed in the budget.

FINANCE

The School Board's Budget for 1957-58, calls for an appropriation of \$27,856.29, a decrease of \$2,211.37. This decrease is reflected in tuitions, where despite the fact that tuition costs have increased, the fact that we anticipate 10 pupils less going to Peterborough High School than we did last year, affects the budget materially. Also it will be noted that the cost for capital outlay has decreased decidedly. The largest single increase is in teachers' salaries. However, as is indicated above this has more than been cancelled by decreases in other areas.

The estimated income has increased by \$529.32. This is due largely to the fact that we anticipate a balance of \$1,579.32 from the current budget. No effort has been made to include any tuition income from the Lyndeboro pupils. If the building program is approved then we can apply an additional income of \$1,295 to the estimated income, making the total estimated income \$2,974.32.

CONCLUSION

I wish to again express my appreciation to the Francetown School Board, the Francetown P. T. A. and the citizens of Francetown for their interest, cooperation and assistance in carrying out an effective educational program.

NEWELL J. PAIRE

Superintendent of Schools

REPORT OF SCHOOL NURSE

During the School Year I made nineteen visits to the Frances-town Public School to supervise the health of the school children and to assist in carrying out the work of the School Health Program.

The Salk Vaccine Program was carried forward with the assistance of the State Health Nurse, Mrs. Somes, and in October the second shots were given to the children who had received the first injections in Milford during the month of May. Upon the release of the second group of vaccine arrangements were made to have a clinic sponsored by the Grange during which the vaccine was administered to children from one to fourteen years of age. Sixty-eight children and one pregnant woman were inoculated. At the present time the date of the second injection is unknown, but it is hoped that it will be given in the fall.

By means of the Snellon Chart I screened the vision of all the children and sent notes to the parents whose children showed a loss of vision. I used the group audiometer to screen the hearing of the children in the upper five grades and hope to do more in this field during the coming year.

I assisted Dr. Wiederhold when he was examining the children and kept records on each one throughout the year.

Pre-school registration was held on June 5 and eight children were introduced to the health program and the communicable disease history taken for use when they enter in the fall.

I made three home visits during the year to arrange for visits to special clinics.

The children were weighed and measured during the year at intervals and most showed a satisfactory gain.

Defects found by Dr. Wiederhold:

Enlarged tonsils	8
Heart Murmur	1
Speech defect	1
Overweight	2

Respectfully submitted,

SYBIL M. BEATHAM, R. N.
School Nurse

1956 REPORT OF N. H. STATE DEPARTMENT OF HEALTH BUREAU OF PUBLIC HEALTH NURSING

Salk Vaccine Clinics were held at the school during the past year. This was given to children from 6 months thru 19 years of age and Pre-Natals.

FRANCESTOWN:

Clinics Held		2
Attendance		128
Infants	4	
Pre-School	62	
School	59	
Others	3	
	<hr/>	
Total		128

Home visits have been made with emphasis on the care of the sick and Health Education.

I would like to take this opportunity to thank Dr. Wiederhold, School Department, Grange, Evelyn Vadney, Clinic Chairman, and her committee. This service would not have been possible without the parents and friends who have co-operated so generously with the work of the Public Health Nurse.

It has been a pleasure to work with you.

Respectfully submitted,

HAZEL W. SOMES, R. N.

SCHOOL BOARD REPORT

In anticipation of presenting our plans for an additional room as described in the Superintendent's Report, at the annual school district meeting and realizing that it would have an impact on whatever plans the town may have for expenditures in providing the services it renders, we invited the Francestown Advisory Committee to sit in with us on two evenings to discuss and think through with us the problem at hand.

The first meeting consisted largely of presenting the problem and looking at possible solutions. The second meeting consisted primarily of a discussion of the manner in which the problem could be resolved without affecting immeasurably the financial structure of the town. At this meeting the Advisory Committee presented the following recommendation:

"You requested our opinion concerning the Francestown School, specifically with respect to the pupils from Lyndeboro and the consequent overcrowding in future years both because of their presence and also our own projected school population, which might necessitate increased facilities in this school.

We have carefully considered these matters, not only from the standpoint of educational facilities, but also in relation to the future growth of the town and the other facets of town planning and management.

However, in view of the fact that it appears there is the possibility that at some date in the future Lyndeboro may be in a position to take care of their own school children, we feel that you would be well advised to do the following:

1. Negotiate a tuition contract with Lyndeboro to supply school facilities for their children as projected in your tables, for at least three and preferably five years, so that the school can depend on revenue from that source.

2. If you can successfully negotiate such a contract, construct the third room in the basement as outlined by you.

We also recommend that the funds for this room be raised and appropriated at this next school district meeting, taking full advantage of whatever state fund can be made available to you.

Any contract should, of course, be based upon the increased costs resulting from any new construction and additional operating expenses.

If such a contract cannot be negotiated, we are of divided opinion as to the desirability of constructing a third room, but we feel that, in any case, the matter of the third classroom should be brought before the next school district meeting.

Francestown Advisory Committee

By FORD W. BOWMAN, Chairman"

We wish to express our appreciation to Mr. Ford Bowman, Mr. Donough Prince, Mr. Harry Varnum, Mr. William Lord and Mr. Paul Bradbury, for their time and effort in assisting us in developing a reasonable solution to our problem.

Respectfully submitted,

ARNOLD BAILEY

CHARLES W. ABBOTT
FREDERICK H. THOMPSON
GEORGE E. KUNHARDT, JR.
Selectmen

To the Board of Selectmen
Francestown
New Hampshire
Gentlemen:

As requested by you the Town Advisory Committee has studied and investigated certain problems confronting the Town and makes the following recommendations to be presented at the Town Meeting in 1957.

It is recommended that an article be placed in the warrant to raise the sum of \$1,000 to be put into a capital reserve fund for the purchase of ground for a new cemetery. It is felt that if the money is available for this purpose when the opportunity arises to make such a purchase, the Selectmen will be in a position to take advantage of the situation.

It is also recommended that certain changes be made in the present zoning ordinance. A new ordinance has been drafted to replace the present one and it is requested that this be covered in the warrant to be submitted to the voters of the Town of Francestown.

The question of a town building in which to store the various pieces of equipment owned by the Town has been discussed and it is felt that a careful study be made, not only of the type building but whether or not a new building is necessary. It is recommended therefore, that a special committee be appointed to study this problem. It is further recommended that the Town raise the sum of \$2,000 to be applied to the capital reserve funds for the purpose of a new building and the sum of \$500 for the use of this committee to determine the needs and the information to present to the Town.

The problem of the roads was discussed and it is the belief of the Committee that a thorough study be made of each road and the needs of the residents living on each road. A plan for the improvement of each road should be made and a schedule submitted as to the time the work should be done. The cost of doing this work should be determined and a report submitted to the Town at the Town Meeting in 1958. However, because of the condition of certain roads it is recommended that the road appropriation be increased by the sum of \$2,000 as suggested by the Selectmen, to correct the worst spots on these roads.

Respectfully submitted,
S/FORD W. BOWMAN
S/PAUL T. BRADBURY
S/WILLIAM A. LORD
S/DONALD PRINCE
S/HARRY B. VARNUM
